

Introducing Our Patient Portal

The Newest Way for Patients to
Update Their Account Information,
Sign Consents, and More!

01. Receive Portal Invite

Check for a link sent 10 days before your appointment.

Our staff can also send a link upon request.

02. Confirm Identity

The system will link your account using your *Name* and *DOB* or *Phone Number* and *Last Initial*, granting access to your patient account

03. Select Name

For situations when there are multiple members of a family attached to one phone number, you will be asked to select your name.

04. Confirm Home Clinic

Lastly, choose *North Valley Eye Care* among the list of our affiliated clinics.
